

## International coordinators at the university to contact about courses.

From January 2008, the University has a new organization where the nine departments have been replaced by four schools with the following names and abbreviations:

|     |   |
|-----|---|
| HST | School of Sustainable Development of Society and Technology |
| HVV | School of Health, Care and Social Welfare                   |
| IDT | School of Innovation, Design and Engineering                |
| UKK | School of Education, Culture and Communication              |

Each coordinator has information on courses in one or more subject areas in the ECTS Information Package.
